## EUROPE BUYING COPPER.

Sales of Metal for Fereign Consumption Maintained.

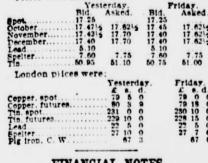

ean consumers continued heavy
of copper in the American market day, taking more of the metal than the purchasers. There are numerous from abroad in addition before ket, indicating that there will be orders placed for European con. during the rest of the week

ogh ar advance in prices has been for daily for over a week it has not ove 17'; cents a pound, which, howe not been general. The larger are not fostering higher prices, the strike in Utah is not settled soon ot be able to prevent an advance. maller interests declare that they are to put up their quotations just as some one starts the movement, United Metals Selling Company American Smelting and Refining ate are not making the move awaited by the others and it is for them that most of the other dealers are waiting before ask-

ing more for their copper.
One of the larger selling interests stated esterday that all orders for December and January delivery excepting for old cus-tomers are being refused by them, as they pect to get higher prices within a few days nich would make their wait worth while. they have a little October and November copper which they are selling at a little ove 17% cents a pound.

John D. Ryan, president of the Amalga-mated Copper Company, on his return from ontana yesterday, said that the copper market was in splendld shape. The output of copper in the Butte camp

during September was 29,054,940 pounds.
as compared with 28,009,980 pounds of the metal in August, an increase of 1,044,960 pounds for the past month. Prices were as follows:
